

Year 6 Parents' Information Meeting

Wednesday 20th September 2023 – 6:00p.m.

**PLEASE ENSURE YOU ARE ON MUTE
– THANK YOU!**

From Mr Moran, Mrs Coughtrey,
Mrs Antrobus, Mrs McKechnie,
Mrs Gore & Mrs Pritchard

Year 6 Expectations
&
Curriculum Coverage

Character Education Values

- ▶ We expect the children to be:
- ▶ Responsible
- ▶ Respectful
- ▶ Trustworthy
- ▶ Fair
- ▶ Honest
- ▶ Caring
- ▶ Forgiving

We expect Year 6 children to be role models for the younger children.

Uniform

- ▶ A copy of our uniform expectations can be found at the front of the homework diaries. Children must stick to these expectations.
- ▶ Please ensure that your child does not wear a Smart watch at school.

Organisation

Children are expected to organise their own resources.
This includes:

- ▶ Having the correct stationery in school each day.
- ▶ Ensuring that their homework diaries are in school every day.
- ▶ Correct PE kit and trainers being in school each day.
- ▶ Looking after their belongings and uniform.

Taking on responsibilities

- ▶ Opportunities will arise across the course of the year for children in Year 6 to take on responsibilities.

Curriculum Coverage - Autumn

- ▶ Art - Perspective drawing
- ▶ DT - Structures and fairground rides
- ▶ Science - Living Things & Habitats, Electricity
- ▶ Music - Listening, appraising and singing 1980s rock music
- ▶ Computing - Word processing skills and composition using O-generator
- ▶ PE - rounders, basketball and rebalance
- ▶ Spanish - Spanish Food & ordering in a restaurant
- ▶ History - Ancient Greece
- ▶ Geography - UK Study (Norfolk)
- ▶ RE - Global communities, Hinduism
- ▶ PSHE - Being me in my world & Celebrating differences

Curriculum Coverage - Spring

- ▶ Art - Sculptures and printing (Greek pots)
- ▶ D&T - Structures and bridges
- ▶ Science - Earth & Space
- ▶ Music - Theseus & The Minotaur, Leitmotif
- ▶ Computing - Local Services and presenting information
- ▶ PE - Invasion Games, Gymnastics and Dance
- ▶ Spanish - Classroom furniture and places in town
- ▶ History - Ancient Greece & History of Brentwood
- ▶ Geography - Brazil
- ▶ RE - What can we learn from the great philosophers?
- ▶ PSHE - Dreams and Goals & Healthy Me

Curriculum Coverage - Summer

- ▶ Art - Drawing and Painting- carnivals and rainforests
- ▶ D&T - Food hygiene, healthy diet and carnival cocktails
- ▶ Science - Light and living things
- ▶ Music - Samba music
- ▶ Computing - Group chat and website design
- ▶ PE - Athletics, Striking and Fielding, Gymnastics & Dance
- ▶ Spanish - Clothing and People
- ▶ Geography - South America & Patagonia
- ▶ History - History of Brentwood
- ▶ RE - Does religion bring peace or conflict. Is believing in God reasonable?
- ▶ PSHE - Relationships & Changing Me (Inc SRE)

Homework

- ▶ Refer to Google Classroom
- ▶ Homework will be set on a Friday and due in the following Thursday
- ▶ All homework to be submitted on Google Classroom
- ▶ Your child will receive a piece of English and a piece of maths homework each week, with a specified deadline.
- ▶ Other e.g. science, history etc.
- ▶ Homework diaries
- ▶ SATs - SATs revision guides and question books to help with preparation towards the tests in Spring Term

Standard Assessment Tests (SATs)

The Key Stage Two SATs are scheduled to be administered in the week beginning

Monday 13th May 2024

KS2 Year 6 SATs Dates 2023-2024

KS2 Year 6 SATs Dates - May 2024

Date	Test
Monday 13th May 2024	Grammar & Punctuation test - 45 minutes Spelling Test - 20 minutes
Tuesday 14th May 2024	English Reading Test - 60 minutes
Wednesday 15th May 2024	Mathematics Arithmetics (Paper 1) - 30 minutes Mathematics Reasoning (Paper 2) - 40 minutes
Thursday 16th May 2024	Mathematics Reasoning (Paper 3) - 40 minutes

KS2 reading SATs:

- One paper with questions that are based on 3 passages of text. Students get 1 hour to answer the questions on the paper.

KS2 English grammar, punctuation and spelling SATs:

- The written element of the spelling, punctuation and grammar SATs consists of a grammar and punctuation paper which lasts for 45 minutes.
- There is also a 20-word aural spelling test which lasts around 15 minutes.

KS2 maths SATs:

- Paper 1 is the arithmetic paper which will last for 30 minutes. It will contain fixed response questions where children have to give the correct answers to calculations.
- Papers 2 and 3 will involve a wider range of question types including multiple choice, true or false and reasoning based. Both papers will last 40 minutes each.

The English Grammar, Punctuation and Spelling Test

- The grammar, punctuation and spelling test will consist of two parts: a **grammar and punctuation paper** requiring short answers, lasting 45 minutes, and a **spelling test** of 20 words, lasting around 15 minutes.
- The grammar and punctuation test will include two sub-types of questions:
- **Selected response**, e.g. 'Identify the adjectives in the sentence below'
- **Constructed response**, e.g. 'Correct/complete/rewrite the sentence below,' or, 'The sentence below has an apostrophe missing. Explain why it needs an apostrophe.'

The Reading Test

- The reading test will be a single paper with questions based on one 800-word text and two passages of 300 words. Your child will have **one hour**, including reading time, to complete the test.
- There will be a selection of question types, including:
- **Ranking/ordering**, e.g. 'Number the events below to show the order in which they happen in the story'
- **Labelling**, e.g. 'Label the text to show the title of the story'
- **Find and copy**, e.g. 'Find and copy one word that suggests what the weather is like in the story'
- **Short constructed response**, e.g. 'What does the bear eat?'
- **Open-ended response**, e.g. 'Look at the sentence that begins Once upon a time. How does the writer increase the tension throughout this paragraph? Explain fully, referring to the text in your answer.'
- Easier questions tend to be worth one mark. When more complex answers are required, up to 3 marks may be awarded.

Maths Test

- Children will sit three papers in maths:
- **Paper 1: arithmetic**, 30 minutes
- **Papers 2 and 3: mathematical fluency, solving problems and reasoning**, 40 minutes per paper
- Paper 1 will consist of fixed response questions, where children have to give the correct answer to calculations, including long multiplication and division. Papers 2 and 3 will involve a number of question types, including:
 - Multiple choice
 - True or false – explain your reasoning
 - Constrained questions, e.g. giving the answer to a calculation, drawing a shape or completing a table or chart
 - Less constrained questions, where children will have to explain their approach for solving a problem.

WHY?

- For you
- For the children
- For the secondary schools
- For the government
- For St. Thomas'

How can you help?

- Complete weekly homework set
- Times tables, regular reading at home, spellings.
- Websites – Spellingframe, Times Table Rockstars, Purple Mash, BBC Bitesize, Woodlands etc.
- CGP Revision guides – details will be sent to you later this term on purchasing these at a discounted cost.
- Grammar and Punctuation Guide and Calculation policy - found on the school's website.

Please do not complete past papers at home as we use some of these during our practice SATs weeks.

Reporting to Parents

Children will be given standardised (scaled) scores.

- 100 = met the expected standard
- Above 110 = working at greater depth
- Below 100 = not working at the expected standard

GOOD NEWS

- We know what we are doing!
- Your children will be thoroughly prepared for the tests.
- Children on the whole enjoy it and rise to the occasion!
- Further advice regarding revision will be offered later in the year.

Why is it so important?
Our children's experience of
technology is totally different from our
own!

Meet Susan...
a 42 year old man posing
as a 15 year old girl online.

**"Susan" and your 13 year
old just made plans to
meet at the park.**

WhatsApp/Group Chats

Top Tips

- 1 It's really important you tell someone about what is going on and it will make you feel better too. An adult at home or at school can help you figure out what to do next.
- 2 Try the report and block buttons. These can be found in most games and on social media and it's a good idea to see if you can spot them. For more information visit our page on [what does the report button do?](#)
- 3 You may want to delete a mean message as soon as you read it but remember it's helpful to take a screenshot or save it as evidence you can take to an adult.
- 4 Don't retaliate or respond unkindly. This can make things worse or sometimes even lead to you getting in trouble. Try and stay calm and get support from an adult you trust instead.
- 5 We're often told that the best way to stop bullies is to ignore them, but remember you should always speak to someone about what's been going on so that you can get support and advice.

What is online bullying?

Online bullying or cyberbullying is bullying behaviour that takes place online or using technology.

An argument between two friends is not cyberbullying, but repeated name-calling, exclusion or other unkind messages could be.

Bullying in any form, online or offline, is never okay.

John Woodley & John Staines

Also know as 'The 2 Johns'

Internet Watch Foundation Report

- 2021 – 97% Child Sexual Abuse material featured abuse of girls.
- Peer on peer abuse in secondary schools.
- Talk to your children (both boys and girls) to prevent the growing misogyny particularly amongst teenage boys.

Internet Watch Foundation Report

We are totally shocked by the latest report from the Internet Watch Foundation (IWF)

They report – 97% of all Child Sexual Abuse material identified by IWF in 2021 featured the sexual abuse of girls.

We have been highlighting this disparity for 3 years now and each year the percentage increases.

We can't sit back and ignore this. A large percentage of the material will relate to abuse by paedophiles but a lot will also relate to material generated through peer on peer abuse in secondary schools, made worse through an increasing level of misogyny amongst teenage boys.

Please make sure you open up serious conversations with your children both boys and girls.

Let's make sure girls are fully aware of how freely content depicting them is spreading around the world.

Let's talk to our boys about respect for women and make sure they realise the outrageous level of misogyny depicted on apps like TikTok and through modern music is not an appropriate way to build relationships with girls.

Let's all work together to promote a much better outcome for our young girls.

We have added a link to the IWF report below.

How to keep your child safe.

We talk to children about crossing the road, bullying and speaking to strangers. But what about staying safe in the digital world?

- Having ***regular conversations*** about what your child is doing online. This is their world.
- ***Encourage them to come to you if they're worried*** and make sure they know what's ok to share online - and what's not.
- Be aware of ***age restrictions*** on social media apps. The age restrictions are there for a reason.
- ***Privacy settings*** *- modern technology has all the capability to be safe – but none of those features are activated prior to use!
- Text messaging and WhatsApp – be aware of what they are sending and being sent. These messages can be easily misread .
- <https://saferinternet.org.uk/guide-and-resource/improve-your-privacy-online-advice-for-parents-and-professionals> *

Tips to help start the conversation

1. Explore sites and apps together and talk about any concerns.
2. Ask your child if they know how to stay safe online.
Challenge them on this.
3. Talk about personal information and what to share online.
4. Request your child uses their device in a family room, be mindful of online devices including games consoles in bedrooms.

Technology can be such a positive part of your child's education.

We aim to teach engaging and up to date computing themes that **grab** the children's attention.

Specific concerns or questions about apps or websites?

Have a chat to us.

Year 6 Parents' Meeting
Secondary School Admissions
2023

This is a very important time for you and your child as you start to consider making an application for a secondary school place for September 2024.

Q: When can I apply?

A: Now!

We encourage you to apply
online at

www.essex.gov.uk/admissions

at your convenience by

31st October 2023

Q: Why apply online?

- The online system is open 24/7 during the application period (opened on 12th September 2023)
- You will receive an email confirmation of your application
- You can make changes to your preferences online until the closing date
- You will receive the result of your application by email on the offer day (1st March 2024) if you requested this when you applied
- You can access details of all Essex maintained schools and academies and their admissions policies
- You can see a full copy of the Secondary Education in Essex 2024/2025 booklet with detailed information about the application process (www.essex.gov.uk/admissions)

Q: What if I don't have access to the Internet?

A: Don't panic!

If you need a paper application form you can call **0345 603 2200** to request one or ask in the School Office. Please do not do both!

Q: Do I need to apply?

A: YES!

It is the responsibility of parents to make an application for their child's secondary school place.

It is up to you what schools you place on your application and the order you place them in.

You should put the schools in the order you really want them because a place will be offered at the highest ranked preference that can be met when considered against the admissions criteria for the schools.

Q: How many schools can I pick?

A: Six

We strongly recommend you use all of your 6 preferences to give yourself maximum opportunity to be considered for a place at a school you want. We also recommend that you list your local school, if you have one, as one of your preferences to help avoid a situation where you might be offered a place at a school several miles from your home.

Remember.....

Applying for more than one school does not in any way reduce your chances of being offered your highest preference, so please aim to use all your preferences.

Some schools, like Church schools, require you to send an additional form to them, called a Supplementary Information Form (SIF). SIF forms must be returned directly to the school as well as applying to the Local Authority.

Q: What if I am considering applying for a selective Grammar School?

A: For the selective grammar schools, you must name these schools on the common application form you submit to the Local Authority. You must also register by completing the SIF for these schools and submit it to the Consortium of Selective Schools in Essex (CSSE).

Q: What should I be doing now?

A: Visit the schools.

All secondary schools have open days or evenings when parents and children can visit schools and look around and get key information.

Q: What is happening on
March 1st 2024?

A: Secondary Offer Day!

Check your e-mail if applying on-line.

All applications for schools have to be considered against the admissions arrangements and oversubscription criteria for each school.

Late Applications!

Applications made after the closing date of 31st October 2023 will be treated as late and therefore dealt with after all on time applications have been processed. It is absolutely vital you apply on time!

Q: What if I am moving house before the end of the admissions process?

A: If you move house after you have submitted an application, you must inform the LA immediately by email or by letter. You should provide proof of exchange of contracts if you have purchased your new home, or a copy of a signed tenancy agreement if you are renting. This evidence must be provided by published deadlines. Please do not just change your address on your online application without letting the LA know by email or letter as well.

Q: How are applications considered and places allocated?

A: Admissions Policies

- All applications have to be considered against the admission arrangements and oversubscription criteria for each of the schools for which you apply. These are shown in the Secondary Education in Essex 2024/2025 booklet which you can view at www.essex.gov.uk/admissions

- Detailed arrangements and admissions policies can also be viewed on this website

Q: How do waiting lists work?

A: After the first round of offers are made on 1st March 2024, all unsuccessful applications that are a higher preference than the school offered will be held on a waiting list, according to the oversubscription criteria for the school. This applies to both on time and late applications.

As a minimum, waiting lists for all oversubscribed schools must be held until the end of the autumn term.

Q: What if we don't get in?

A: ???

- Don't panic!
 - Approx. 95% get 1st or 2nd choice – eventually (higher here)
- If you are refused a place at a school of your preference, you will have the right to appeal to an independent panel for a place.

There is no guarantee of success with any appeal and full details about how to appeal will be made clearer in the decision letter that is posted on 1st March 2024.
